The Montrose Township Group

To the fabulous Montrose Township Group,

I am writing to express my thanks for your care and concern when the school was recently hit by a massive graffiti attack. The children, parents and staff were all angered by the act.

Our regular removalist for big jobs was inundated with work and unable to attend immediately. I sense that one of your members knew it was not a good practice to leave the paint for too long and somehow galvanised your team into action.

The school has been restored to its old self and the children were quick to recognise the fact the following day.

I thank David Dobson, Curt Tebbut, Adam & Natasha Wilkinson, Shane Biggin, and Julie & Ross McDonald for your selfless action.

Once again with deepest thanks

Neil Pollard

Principal
